

Healing Prayer

Jah Jah, you see and you know my heart. Right now I need some healing, oh Most High. Please, heal my heart. Plant your seed of renewal and hope inside my heart dear Jah. In your name, I seek healing to start a new."

Jah Jah is the creator, he sees and knows all things. He wants me to cast my troubles upon him, he has the power to heal me. All my faith and trust is in Jah the Almighty.
