

Prayer of Faith

My heart is glad that you are my father
adopted to yo as sons an daughter
and your love endures
as you said it would, and my heart sings
teach me the sound of your voice
with the faith to respond, to love you
teach me to follow you close
with the faith you bestow, to love you
mi heart is glad to serve you as king
Forgive the times that i am stubborn
with a humble heart
may i come to you, and my heart sings
teach me the sound of your voice
with the faith to respond, to love you
teach me to follow yo close
with the faith you bestow, to love you
with a humble heart
may i come to you, and my heart sings
teach me the sound of your voice
with the faith to respond, to love you
teach me to follow you close
with the faith you bestow, to love you
