

## TO THE CREATIVE GOD

O LORD of Charms, Illustrious! who gives  
Life to the Dead, the Merciful who lives,  
And grants to hostile gods of Heaven return,  
To homage render, worship thee, and learn  
Obedience!  
Thou who didst create mankind  
In tenderness, thy love round us, oh wind!  
The Merciful, the God with whom is Life  
Establish us, O Lord, in darkest strife O never may thy truth forgotten be.  
May Accad's race forever worship thee!
